**FACE HOPE FOUNDATION
ANNUAL GALA
SPONSORSHIP
NOVEMBER 9TH, 2024**

HELP US TO CHANGE A LIFE

OUR MISSION

The Face Hope Foundation is dedicated to address the medical, reconstructive, functional, and aesthetic concerns of patients with skin cancer, facial paralysis, facial trauma, and any other facial concern. The face is the symbol for us as individuals. Facial defects caused by skin cancer, trauma, domestic violence, vehicle accidents, and multiple other unfortunate and unforeseen incidents severely affects the lives of the afflicted. Not only are patients forced to deal with the deficits caused by these conditions, they also face the difficulties associated with changing how they appear to themselves and others. This can severely affect their self-image and therefore, their self-esteem, self-confidence, and mental health.

HOW TO SUPPORT

Over the past 5 years, the Face Hope Foundation has been able to help patients and families of patients through the generous donations of clients, customers, friends, strangers, and the Wards themselves. Please help us to change lives by:

- Make a donation
- Become a sponsor for a family in need
- Attend the Face Hope Foundation fundraiser gala in Nov. 2024
- Historical documents – in old, original states
- Have your business become a sponsor of the Face Hope Foundation gala
- Volunteer at the Face Hope Foundation gala
